MEMORANDUM FOR INGRID KOLB

DIRECTOR

OFFICE OF MANAGEMENT

FROM:

ROBERT J. NASSIF *Robert J. Nassif*
ACTING ASSOCIATE ADMINISTRATOR
FOR MANAGEMENT AND BUDGET

SUBJECT:

Directive Certification Statement

DOE Order 462.1, Import and Export of Category 1 and 2 Radioactive Sources and Aggregated Quantities, 11/10/2008 has been reviewed by my organization and deemed to be in compliance with related Departmental Directives, Secretarial Delegations, organizational structure, budget guidelines, regulations, standards, OMB guidance, relevant memoranda of understanding and public laws.

In addition, this directive is not found to cause undue burden (i.e., significant cost impacts, overly prescriptive, redundancy, or excessive reporting requirements) on Departmental elements and contractors.

This order is important because it formalizes relevant guidance contained in the International Atomic Energy Agency (IAEA) CODEOC 2004, Code of Conduct on the Safety and Security of Radioactive Sources, January 2004 and IAEA CODEOC IMP-EXP 2005, Guidance on the Import and Export of Radioactive Sources, March 2005 and to assign responsibilities and prescribe procedures for DOE elements and contractors in support of the Import-Export Guidance.

I certify that this directive is accurate and continues to be relevant and appropriate for use by the Department.

Please contact Emily Mishoe of my staff for additional information. Emily can be reached at (202) 287-5641.
