AUTHORITY ORDER NO. ~~00-001.09-04~~
SPE-DEL-HOBBS-2020 TO VIRGIL G. HOBBS
AS HEAD OF CONTRACTING ACTIVITY (HCA)
FOR THE SOUTHEASTERN POWER ADMINISTRATION

1. REDELEGATION AND REDESIGNATION. Department of Energy (DOE) Delegation of Authority Order 00-001.09 sets forth various authorities delegated to the Director, Office of Acquisition Management (herein referred to as the “Director”), and provides that these authorities may be further delegated, in whole or in part, as may be deemed appropriate. As the Administrator, you are hereby designated as the Head of the Contracting Activity (HCA) for the Southeastern Power Administration, in accordance with Federal Acquisition Regulation (FAR) 1.601. Except as expressly stated herein, you may not further delegate your HCA authority; however, your HCA authority may be conferred to individuals who are designated, in writing, to act in your position as the Administrator. Such written designation shall specify the HCA authorities that are being conferred and shall stipulate that those authorities may not be further delegated. Your HCA delegated authorities are as follows:
 - 1.1 Designate Contracting Officers (48 C.F.R. 1.601, 48 C.F.R. 1.603-1, 48 C.F.R. 901.601).
 - 1.2 Act as the Contracting Activity Competition Advocate to perform the duties required by the Competition in Contracting Act of 1984, Public Law 98-369. This authority may not be redelegated (41 U.S.C. 1705, 48 C.F.R. 6.501, 48 C.F.R. 906.501).
 - 1.3 Enter into, approve, administer, modify, close-out, terminate, and take such other actions as may be necessary and appropriate with respect to any procurement transaction binding the Department to the obligation and expenditure of public funds.
 - 1.4 Enter into, approve, administer, modify, close-out, terminate and take such other actions as may be necessary and appropriate with respect to any financial assistance agreement or similar transaction, whether or not binding DOE to the obligation and expenditure of public funds. Such action shall include the rendering of approvals, determinations, and decisions, except those required by law or regulation to be made by other authority.
 - 1.5 Enter into, approve, administer, modify, close-out, terminate and take such other actions as may be necessary and appropriate with respect to any sales contract, reimbursable orders, or similar transaction, whether or not binding DOE to the obligation and expenditure of public funds. Such action shall

include the rendering of approvals, determinations, and decisions, except those required by law or regulation to be made by other authority. These authorities are contingent upon the existence of statutory, other legal, and regulatory authority for sale of products or to perform reimbursable work. Serve as Selection Authority (SA) or appoint another individual to serve as SA for a particular action or group of actions.

- 1.6 Designate a task and delivery order ombudsman to perform the duties required by the Federal Acquisition Streamlining Act of 1994 (title I, section 1054(a) of Public Law 103-355, as amended by Public Law 110-181, 41 U.S.C. 4106).
- 1.7 Pursuant to Section 301 of the Energy and Water Development and Related Agencies Appropriations Act, 2020, Division C, Title III (Public Law 116-94), or any similar provisions enacted in subsequent appropriations acts, notify the Committees on Appropriations of the Senate and House of Representatives at least three full business days in advance of making a grant allocation, discretionary grant award, discretionary contract award, Other Transaction Agreement, or issuing a letter of intent totaling in excess of \$1 million or to announce publicly the intention to make such an award, including a contract covered by the FAR.

This authority may be re-delegated to your Procurement Director(s), or equivalent Supervisory Contracting Official(s), but may not be re-delegated below the Procurement Director(s), or equivalent Supervisory Contracting Official(s).

2. REDELEGATION OF REGULATORY AUTHORITIES. The delegated authorities set forth herein are conditioned upon your commitment to assuring compliance, to the maximum extent practicable, with the applicable laws, regulations, and policies and procedures that pertain to the authorities delegated herein. These include the FAR, the DOE Acquisition Regulation (DEAR), DOE Directives, DOE Acquisition Letters, and the DOE Acquisition Guide; notably Chapter 71, which prescribes actions requiring Headquarters review and the process for their selection. In determining whether an action is within a delegated monetary authority prescribed herein, the determination will be based on the total value of the action, including options, in-kind contributions and contractors/recipients cost share. Moreover, where actions involve a combination of additional work and deductive work, the total value is the absolute value of the work contemplated. Your HCA delegated authorities are as follows:

Additionally, any funding opportunity announcement which may result in financial assistance with a collective value of \$1 million or more, including cost share, shall have prior approval, or waiver thereof, of the Director or designee.
