MEMORANDUM FOR DAVID K. GARMAN
UNDER SECRETARY

FROM:

DAVID R. HILL *[Signature]*
GENERAL COUNSEL

SUBJECT:

ACTION: Issue revised delegations to the Departmental officers who report to you.

BACKGROUND:

It is necessary to update and revise the delegations of the Departmental officers who report to you. Currently, the Director of the Office of Legacy Management does not have a delegation. There also are provisions regarding functional accountability and indemnification that need to be added to existing delegations. Finally, three delegations need to be rescinded.

DISCUSSION:

A delegation to the Director, Office of Legacy Management, needs to be issued to give him the same internal reorganizational authorities that all the other first tier officers currently have.

The following delegations need to have functional accountability language added to them:

- Civilian Radioactive Waste Management;
- Nuclear Energy (this delegation is also being changed to reflect that the office is now headed by an Assistant Secretary);
- Environmental Management; and
- Energy Efficiency and Renewable Energy.

The Office of the General Counsel is currently in the process of preparing paperwork to amend the delegation you have from the Secretary in the areas of fossil energy and electricity. Once that delegation has been signed by the Secretary, we will prepare a redelegation for your signature to those respective offices.

The authority to provide indemnification will be redelegated only to the Assistant Secretary for Environmental Management because this is the only program office within your purview with a need for this authority. This authority, which is located in paragraph 1.4 of that delegation, allows the Assistant Secretary for Environmental

Management to make the decision to indemnify certain entities involved in land transactions at defense nuclear facilities. Under the terms of the proposed delegation, this authority cannot be redelegated further.

It is also necessary to rescind two redelegations, since these offices no longer report to the Under Secretary. These are Redelegation Order No. 00-002.02A, to the Director of the Office of Science, and Redelegation Order No. 00-002.09A, to the Assistant Secretary of the Office of Environment, Safety and Health. A third delegation, Redelegation Order 00-002.08, to the Director, Office of Worker and Community Transition, needs to be rescinded since that office no longer exists.

SENSITIVITIES: None.

RECOMMENDATION: That you approve issuance of certain amended redelegations as described above, and rescission of the redelegations to the Director of the Office of Science, to the Assistant Secretary of Environment, Safety and Health, and to the Director, Office of Worker and Community Transition.

CONCURRENCES: None.
