DEPARTMENT OF ENERGY  
DELEGATION ORDER NO. 0204-161  
TO THE  
ADMINISTRATOR AND CHIEF EXECUTIVE OFFICER  
BONNEVILLE POWER ADMINISTRATION

1. DELEGATION. Pursuant to the authority vested in me as Secretary of Energy and by section 642 of the Department of Energy Organization Act (Public Law 95-91), there is hereby delegated to the Administrator and Chief Executive Officer of the Bonneville Power Administration (BPA):
  - a. The authority to implement, oversee and enforce the Department of Energy directives specified in the list in Appendix A of items “Delegated to BPA” insofar as such directives or elements thereof apply to BPA.
  - b. Authority under paragraph a. includes the authority to determine which of the delegated Department of Energy directives, or elements thereof, are applicable to BPA and to exempt BPA from such directives or elements thereof. BPA shall have authority to require that officers and employees of BPA, and contractors and subcontractors of BPA, comply with BPA directives in lieu of otherwise applicable DOE directives.
  
2. LIMITATION.
  - a. Nothing in this delegation is intended to change the Secretary or Deputy Secretary's oversight and supervision of the Administrator. The Secretary or Deputy Secretary may direct the Administrator to take specific actions to comply with delegated Department of Energy directives, or may withdraw a delegation or exemption at any time.
  - b. Any future Department of Energy directives shall not apply to BPA, unless the directive by its terms specifically so provides.
  - c. The directives specified in the list in Appendix A titled “Items Withheld from Delegation” are expressly not included in this delegation of authority, and the directives specified as “Not Applicable to Bonneville” are not affected by this delegation because they do not by their terms or subject matter apply to the Bonneville Power Administration.
  
3. AUTHORITY TO REDELEGATE. The authority hereby delegated (other than under section 1.b.) may be delegated further, in whole or in part, as the Administrator and Chief Executive Officer determines.

4. EFFECTIVE DATE.

- a. All actions pursuant to any authority delegated prior to this Order or pursuant to any authority delegated by this Order taken prior to and in effect on the date of this Order are hereby confirmed and ratified, and shall remain in full force and effect as if taken under this Order.
- b. This Order is effective upon my signature. (October 7, 1996)
