CANCELLATION OF DIRECTIVES

Attached is a listing of 17 canceled directives, effective immediately. This is a continuing effort in the ongoing initiative to reduce the burden and volume of internal regulations. The Chief Financial Officer is currently in the process of finalizing three consolidated Orders. These Orders will contain only the necessary requirements contained within the Orders listed in Attachment 1.

Until such time that the consolidated Orders are completed, the Chief Financial Officer recommends that the procedural concepts contained in the canceled Orders be used. The cancellation of these Orders does not relieve the Department or its contractors from complying with the applicable Federal laws and regulations pertaining to the canceled Orders or their functional areas.

If you need additional information concerning the cancellation of the listed directives, contact the Points of Contact listed in Attachment 1. Please call (202) 586-4716 with questions and comments concerning the Departmental Directives System.

BY ORDER OF THE SECRETARY OF ENERGY:

ARCHER L. DURHAM
Assistant Secretary for
