DIRECTIVES EXEMPTION APPROVAL MEMORANDUM

PURPOSE: To document BPA's exemption from DOE Order 143.1, Payment in Lieu of Taxes. This memorandum documents the exemption until it is incorporated in the next revised order or BPA coverage is specifically identified.

BACKGROUND: This order established the guidelines and procedures for the DOE with regard to processing applications for payments in lieu of taxes to certain State and local governments under the authority of section 168 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2208), in order to render financial assistance to those States and localities in which the activities of the Commission are carried on.

JUSTIFICATION: Atomic Energy Act of 1954, as amended (42 U.S.C. 2208) is not applicable to BPA. It only applies to the Atomic Energy Commission and the property it has acquired, which had been previously subject to State and local taxation.
